

OFFICIAL SPECIAL OLYMPICS RELEASE FORM

RELEASE TO BE COMPLETED BY ADULT ATHLETE

I am at least 18 years old and have submitted the attached application for participation in Special Olympics.

I, _____

I represent and warrant that, to the best of my knowledge and belief, I am physically and mentally able to participate in Special Olympics activities. I also represent that a licensed physician has reviewed the health information contained in my application and has certified, based on an independent medical examination, that there is no medical evidence which would preclude me from participating in Special Olympics. I understand that if I have Down Syndrome, I cannot participate in sports or events which, by their nature, result in hyper-extension, radical flexion or direct pressure on my neck or upper spine unless I and two physicians have completed the official "Special Release for Athletes with Atlanto-Axial Instability," available from the Special Olympics Chapter program in my state, or I have had a full radiological examination which establishes the absence of Atlanto-axial Instability. I am aware that if I choose not to complete the "Special Release for Athletes with Atlanto-Axial Instability" form which establishes the absence of Atlanto-axial Instability, I must have the radiological examination before I can participate in judo, equestrian sports, gymnastics, diving, pentathlon, butterfly stroke, diving starts in swimming, high jump, alpine skiing, snowboarding, squat lift and football team competition (soccer).

Special Olympics has my permission, (both during and anytime after), to use my likeness, name, voice or words in either television, radio, film, newspapers, magazines, and other media, and in any form, for the purpose of advertising or communicating the purposes and activities of Special Olympics and/or applying for funds to support these purposes and activities.

If, during my participation in Special Olympics activities, I should need emergency medical treatment, and I am not able to give my consent or make my own arrangements for that treatment because of my injuries, I authorize Special Olympics to take whatever measures are necessary to protect my health and well-being, including, if necessary, hospitalization.

I understand that by signing below I consent to participate in the Special Olympics Healthy Athletes Program that provides individual screening assessments of the health status and health care needs in the areas of: vision; oral health; hearing; podiatry; physical therapy; and a variety of health promotion areas (height, weight, sun protection, etc.). I understand that participation in the Healthy Athletes Program is voluntary and that I may decide not to participate. I understand that provision of these health services is not intended as a substitute for regular health care and that I should seek my own independent medical advice and assistance irrespective of the provision of these services. Neither Special Olympics, Inc. nor Special Olympics Montana through the provision of these services are responsible for my health or my health care.

I, the athlete named above, have read this paper and fully understand the provisions of the release that I am signing. I understand that by signing this paper, I am saying that I agree to the provisions of this release.
