

## International LETR Conference Application

The International LETR Conference is a three day event in an effort to educate law enforcement and Special Olympics staff members about LETR and our collaborative efforts with Special Olympics; as well as reward the hard work of our LETR members; and to motivate volunteers.

All are encouraged to apply as this conference provides meaningful and motivating ideas to all who attend.

If you are interested in attending, please fill out the attached form. The Torch Run Director & Assistant Directors will select the conference attendees.

Attendees are expected to make the most of what the conference has to offer by attending general sessions, breakout sessions, and activities. Attendees will also act in a manner that will bring dignity and respect to the delegation, Montana Torch Run, Special Olympics Montana and your respective agency. Disruptive behavior may exclude the member from future conference consideration.

Applications are due to [tsappington@somt.org](mailto:tsappington@somt.org) no later than **May 1**. Attendees will be notified by May 15.
