The first ever Ride for Respect Passport Raffle and Iron Butt Ride was a success, raising over \$32,000 for Special Olympics of Montana. The success of this program could not have happened without the help of you, our sponsors! Thank you and we hope to have you join us again next year.

As a reminder, all stamps must be collected by September 30th and the drawing for the \$2,000 grand prize will be held on October 15th.
