

### Online Team MTN/Chevy Raffle Sales

MTN Chevy raffle tickets can be sold online via debit cards to anyone in Montana. On our webpage, [www.somt.org](http://www.somt.org), there is a "button" for the raffle. Click that and it will redirect you to a new page that says Buy Your Tickets Now. Click that red button and you will again be redirected to a page to purchase the tickets.

On the purchase page, there is a text box that prompts for where the purchaser heard about buying MTN Chevy tickets online. This box should be filled out with whomever should be credited... specific area name, team name and/or individual athlete name if they are to be credited for the Champion's Challenge.

Although hard copy tickets will not be mailed, their electronic receipt will contain ticket number(s).

Please feel free to share the link <http://www.somt.org/raffle> with anyone in Montana who may be interested in purchasing a MTN Chevy raffle ticket online and using a debit card. **Be sure to provide them instructions on filling out the text box as that is the only way areas, teams and athletes can receive proper credit.** Feel free to use the attached photo to help get the word out on your social media accounts and email.
